

SUPERVISORY MANAGEMENT

Guiding Teams to Success

US 13912 / NQF Level 3 / 5 Credits

“Boost team performance and achieve organisational goals”

Leading a team effectively goes beyond overseeing tasks; it's about motivating individuals, managing performance, and fostering an environment where everyone thrives. As a supervisor or team leader, your role is pivotal in driving team success. This engaging and practical course equips you with essential leadership skills, providing clarity about your responsibilities, accountability, and the behaviours necessary to achieve great results.

Reflect on your strengths and areas for growth as a leader, discover practical tools to enhance team performance, manage conflicts proactively, and create a positive workplace culture. Through interactive sessions and self-reflective activities, you will gain the confidence and skills required to elevate both your team's productivity and morale.
